Lakeside Foods, is the premier U.S. Private Brand producer and supplier of high-quality canned vegetables, frozen vegetables, and frozen whipped topping to the retail, foodservice, and industrial sectors. Founded in 1887, Lakeside Foods is a customer-focused company, having best-in-class case fill rates of +99% and +99% on-time delivery rates.

Our company is guided by a simple principle: We Focus 100% of our energies on Private Brand canned vegetables, frozen vegetables, and frozen whipped topping. We support no national or regional brands. We are passionate about Private Brand and are experts in this field.

Our Specialties are Food Manufacturing, Private Brand Food, Canned Vegetables, Canned Dry Beans, Frozen Vegetables, Frozen Vegetables with Sauce, Frozen Whipped Topping, and Consumer Foods.

“ Our employees work in an environment that fosters a strong commitment to Employee Safety and Quality of Work. We want to make sure that they go home safe every day, and we want them to be proud of the work they do and the product that they produce. Lakeside puts a strong emphasis on employee involvement and recognition of employee contributions. ”
